You can download the Software from : www.nch.com.au
After you install the program, you have to do the setup for the foot pedal:

- 1- Make sure that Express scribe is closed
- 2- Plug in the USB-1 foot pedal to an available USB port on your computer.
- 3- Open Express Scribe
- 4- Go to Settings==> Control Tab
- 5- Tick "Use Foot Pedal Playback Control".
- 6- Port: from the drop down menu: Select "VEC Pedals USB".
- 7- No: choose 3 Pedals
- 8- Click on "Foot Pedal Control Setup Wizard".
- 9- Follow the instructions on the screen.
- 10-The pedal should now be correctly installed.
